

Office of the President

NORTHERN ARIZONA UNIVERSITY

March 19, 2020

Dear Lumberjacks,

As the COVID-19 outbreak evolves, NAU is doing everything we can to promote the health and safety of our community while continuing to provide the best educational opportunities for our students. I appreciate your dedication and willingness to adapt to changing circumstances and am grateful for all of you who are working to make the transition to online classes as smooth as possible. NAU will continue to communicate with you to ensure you are confident and prepared for online classes to begin on March 23.

If you have a question, or if you are asked questions, please refer to the Q&A section on our website: nau.edu/coronavirus. If you don't see your question, please email COVIDinfo@nau.edu.

We have a strong tradition of caring for and helping each other, so if you're looking for a way to help your fellow Lumberjacks, **Louie has some ideas to share.**

These are just a few examples, and there are many ways to support each other as we navigate uncharted territory. I trust that our NAU family is up to the challenge.

I wish you the best for the final stretch of the spring semester.
